

SUGGESTED INTERVIEW QUESTIONS

1. Can one person really change the world? How?
2. What is the first step we can take to make a difference in today's chaotic world?
3. We all have questions. How does this book help us to access the answers? How will we know which answers are the right ones?
4. You state that personal experience is the key that opens the door to all the answers we seek. What do you mean?
5. What inspired you to write this book? How did you come up with the innovative format you used, and how does it help to empower us?
6. We've all heard the phrase, "the answers lie within." But how do we access those inner promptings and put them to good use in daily life?
7. The process is so simple. How can something so simple be effective?
8. Many of us are experiencing pain and frustration in our lives, yet you talk about emotions as incredible blessings. How can we harness the power of our emotions?
9. How can the average person get past the anxiety of daily life and experience joy more frequently?
10. How can we reawaken our inner wisdom and reap the benefits of our awareness?
