THE SECRET TO MAKING A DIFFERENCE IS REVEALED!

We've all heard the phrase, "the answers lie within." But how do you access those inner promptings and put them to good use in daily life? Now you can easily learn to connect to the power and intelligence of your emotional wisdom.

"What If..." is an unusual and deceptively simple method for personal transformation. This innovative process invites the reader on a journey of discovery and growth that naturally results in practical, beneficial life changes. It's the ultimate guide for making a difference in your life and the world around you.

Breaking with convention, "Joy-Master" Linda Iribarren offers a delightfully fresh approach to spiritual growth and development. The ease with which ordinary people can access profound wisdom by following her process could revolutionize the very nature of spiritual inquiry.

AN IRRESISTIBLE KICK-IN-THE-PANTS FOR THE CONSCIOUSNESS!

"This book is like love's tuning fork. It vibrates within you wherever you're stuck, wherever you're ready to get unstuck, and wherever chords of pure Spirit are already singing you joyously whole. Stop, listen, and for God's sake dance!"
